

Augustus

Role: Main male character

Character Description: A human being that Lorelei stumbles upon where she would at least expect. Getting to know him, Augustus is a smartass who thrives on references and not making situations any better. But don't be fooled, he's more observant than he comes off.

Personality: Sarcastic, pretentious, extreme extrovert.

Age: 24

Lines:

1. "Why does everyone think I'm here against my will?"
2. "So what are we doing? What am *I* doing? No one knows where my girlfriend is and with me hiding, they probably think I did something to her."
3. "You've mistakened my intentions then."
4. "Wha-?! Why would you-I'm telling Callian when I meet him!"
