

Kelos the Void Walker

IMPORTANT SIDE NOTE: This character is in both projects, *Fox Teeth & Cosmic Blood* and *The Necromancer's Promise*. So this role would be a double job.

Role: Side male character

Character Description: Being the older brother of Kelso Jarin, he was banished from Krat when he embraced his talent of being a void walker. Jumping from realm-to-realm has made him acquainted with many, learning many cultures and histories. Secretly living in the shadows in the dunes, he is known as a peace keeper with a playful personality.

Accent preferred: Open to accents since he does go back and forth between worlds, enthusiastic/playful tone.

Age: 33

Lines:

1. "Prince Kester, it's an honor to meet you."
2. "Well, aren't you just the cutest little moon among the stars.—Too bad you're not of true blood."
