

# Lorelei

Role: Main female character

Character Description: After her people were exterminated and world destroyed, she was taken in by the Northstrom family where she grew up alongside Callian, knowing him better than anyone else. During chaotic events, Callian grabs Lorelei and escapes to the human realm. Passing through the gate for the first time, she starts to have problems with performing successful spells.

Personality: Spunky, girly-girl. (*Think college girl*). When Callian is present, she is more scolding or casual toward Callian.

Age: 22

## Lines:

1. “With how much you’re handling it, I hope *PetSmart*.”
2. “Fine. But if he starts blowing up my phone with stupid memes, I’m blocking him.”
3. “We’ve been through a lot. Coming here though, it was probably the scariest thing I’ve ever done. But I don’t know if I could’ve gotten this far without him, that’s why I keep an eye on him.”
4. “There’s a something some humans say, it starts with a ‘F’ and ends with ‘u’. [*Amused*] *Obhh*—I still said it.”
